Floored Approach

地上畫布

地板、地毯有連繫空間之用，亦可用作界定不同空間功能，賦予空間不同用途，透過色彩形態及材質的搭配，將各個區域的傢具連繫在一起，營造不同氣氛。Often overlooked, the choices you make when it comes to your flooring can completely change the vibe in your home. From concrete-style tiles to warm and cosy rugs, each decision creates endless possibilities, transforming your space based on your own personal style. But with a plethora of options available, it can be nigh on impossible to choose. In this supplement, *Today's Living* introduces you to some of the latest flooring products available.
